

THE DISCOVERY CENTER

The Discovery Center provides a safe, comfortable, home-away-from-home environment for your child. We offer full time as well as two and three programs to fit your needs.

We believe that the child's early learning experience should be fun, challenging, and enriching, building on acquired skills over the years.

We specialize on building self-esteem through positive interactions and mutual respect.

The Preschool Classroom

The
Seagulls

► **Preschool Room: The Seagulls**

Welcome to the Preschool Room! We are pleased to have Ms. Parveen Bashir as our Lead Teacher. Parveen has been with our center since

January of 2015. Parveen obtained her AA degree in Early Childhood Education, and furthers her career by taking 10 hours of continuing education each year. Parveen has many years of experience working with young children, being a volunteer in her son's classrooms since he began school. Parveen understands the needs of preschool aged children, and brings lots of love, patience, and fun to her classroom. She allows for individual expression as she guides children through social, emotional, and cognitive learning. She looks forward to being a positive influence in the life of young children.

Developmental Focus

We are learning to be good listeners, how to follow directions, and how to share and be thoughtful of others. We are working on letter recognition, colors, numbers, and shapes. We are learning to be independent thinkers and doers! We have opportunities for free choice, as well as teacher directed activities.

What to Bring

Parents provide two changes of clothes, including socks and underwear, and a blanket for nap time. The blanket will be sent home each week for laundering.

Show and Tell is on Friday. Children may bring one special toy to share on that day

(please no weapons, and labeled with your child's name.) Arrangements for bringing pets or other exceptions can be made with the teacher.

We provide healthy meals and snack, but if your child has a restricted diet, you may be asked to provide these.
